Chapter 1 by Kim

Hey, whats up? My name is Yo "Boi" Trump. My dad's name is Donald Trump. I have big dreams of playing on Sesame Street. My fave character is Big Bird. I wear big chains and I like to wear my pants on the ground. All my bros are sick. My 'bestie' is Jam Hammer he's got big veins and a big mouth, but he's not very strong. His head looks like a potato, so he takes his hood and puts it over his hair and says, "I'm a potato." When he wakes up he blares, "Wake up in the morning and I dab." We are extremely unpopular. In fact we are 'probs' hated, 'probs cuz' we walk around in Big Bird masks with fake guns and shoot at the dj's at dances. Then the dj runs off. We end up getting kicked in the butt, but that's ok.

Chapter 2 by Kim

That morning we got a special delivery, it said "big bird delivers". In the box it had a fat big bird costume. I started to jump and scream. I wore it to school. It came to my attention that I felt a cold breeze on my butt. Later on at school I felt a bit of chair. As I look at my butt there was no cover as I looked at everyone, they were taking videos of me! I stomped out of the class room. As I walked out I played "if your happy and you know it" only when it said stomp your feet or clap your hands and many more I didn't. As I walked home I look at the video it was blowing up in hits as soon as I saw that I went to bed.

Chapter 3 by Rey.
